Exercise 9

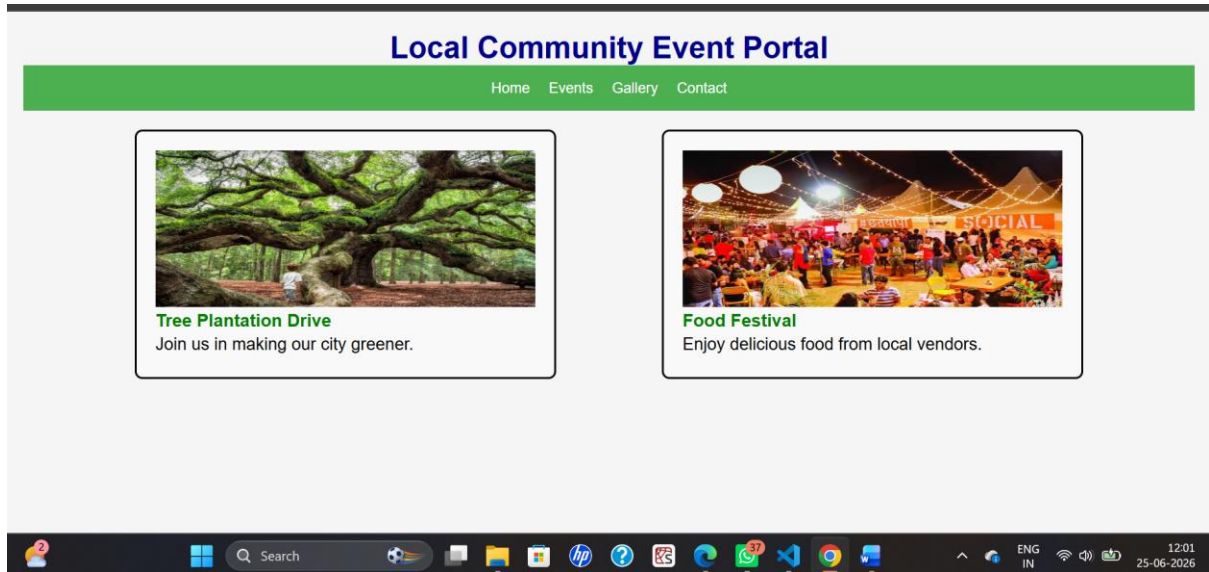

Local Community Event Portal

Community Bulletin

The Local Community Event Portal brings together residents by providing information about cultural festivals, sports competitions, health camps, educational workshops, and volunteer programs. Citizens can register for events, receive notifications, and participate in activities that improve community engagement. Regular events encourage social interaction, environmental awareness, and

healthy living. Community members are invited to contribute ideas, organize programs, and work together to make the neighborhood a better place. Through active participation, everyone can help build a stronger and more connected community.
